Use this worksheet and cut and paste activity to review the differences between mitosis and meiosis in high school biology class. The two processes are very difficult for some students to understand and especially when they are taught together in the same unit (and they often are!)

### **Compare Mitosis and Meiosis: Cut and Paste Activity and**

Students are taken on a chromosome comparison "adventure", in which the banding patterns are compared on the chromosomes of humans and apes. Degrees of similarities, and some causes of their differences are explored.
