Floods can occur in rivers when the flow rate exceeds the capacity of the river channel, particularly at bends or meanders in the waterway. Floods often cause damage to homes and businesses if they are in the natural flood plains of rivers.

### IELTS Reading Practice Test for IELTS Academic and IELTS

IELTS (International English Language Testing System) is a standardized test of English language proficiency for non-native speakers. It is used by universities and employers to assess the English skills of international students and professionals. The test consists of four sections: Reading, Writing, Listening, and Speaking. Each section is designed to measure a specific aspect of English language ability. The test is taken by millions of people worldwide and is considered one of the most reliable and valid tests of English proficiency.
