When you launch Acrobat 11, the startup screen has an item "Combine Files into PDF" that lets you drag & drop files and easily reorder them. The same thing is available under: File > Create > Combine Files into a Single PDF

Drag & drop function not available? Adobe XI | Adobe Community

Does this sound like you? You strive to help companies unlock potential by using better business design techniques. You have already done so by researching, applying and "teaching" practical and visual business design tools, in particular the Business Model Canvas and the Value Proposition Canvas.

Business Model Alchemist

It's easy to write about what the government or other people should do with our/their money. It's harder to come up with a course of action that I can undertake on my own that possibly, somehow could make a difference.
