The world is the planet Earth and all life upon it, including human civilization. In a philosophical context, the "world" is the whole of the physical Universe, or an ontological world (the "world" of an individual).

World - Wikipedia

The American middle class is a social class in the United States. While the concept is typically ambiguous in popular opinion and common language use, contemporary social scientists have put forward several ostensibly congruent theories on the American middle class.

American middle class - Wikipedia

The objective of the research was to define the world class purchasing/supply management (P/SM) individual. The goal of this effort was to highlight the efforts in developing
